## TO WHOM IT MAY CONCERN

REEDEREI NORD GMBH, the shipowner, hereby confirms that MAREL Serwis Company is on the vendor list, connected to all the electrical and automation issues that are faced by the REEDEREI NORD ship crews and superintendents.

MAREL Serwis Company did perform a lot of jobs (including repair, design, retrofit/modification and parts supply) for over 20 vessels owned/managed by the REEDEREI NORD GMBH.

I can make a recommendation for MAREL Serwis company and confirm that in accordance with our experience it is a company with all the abilities necessary to solve any electrical, electronic and automation problems (including development of the whole new systems) for any marine customer.
